

## Forthcoming 'Organizations and Networks' Conferences

---

### **Warfare, Environment, Social Inequality and Peace Studies (WESIPS) Conference**

#### **Organizers**

Dr. Richard J Chacon (Winthrop University)

Mrs. Yamilette Chacon, Ph.D. candidate (University of South Carolina)

**Conference purpose:** In order to facilitate interdisciplinary cross-fertilization, this conference brings together a cadre of internationally recognized scholars to address the underlying causes of warfare, environmental degradation, and social inequality from a host of interdisciplinary and theoretical perspectives. The coming together of a diverse set of scholar sets the stage for the accumulation of knowledge. The symposium also seeks to uncover effective solutions which foster peace, altruism, cooperation, social equality and sustainable use of natural resources.

**Conference location:** Center for Cross-Cultural Study (Spanish Studies Abroad) in Seville, Spain.

**Conference dates:** May 29-30, 2015

**Conference fee:** 150 Euros

**Call for abstract submissions:** June 1, 2014

**Abstract submission deadline:** October 1, 2014

**Conference registration fee Deadline:** March 28, 2015

**Conference Lodging:** Accommodation will be at the four-star Hotel Bécquer centrally-located in Seville

More information is available on WESIPS Conference website:

### **XXXIII. Sunbelt Social Networks Conference of the International Network for Social Network Analysis**

#### **Organizers**

Russ Bernard (University of Florida)

Chris McCarty (University of Florida)

John Skvoretz (University of South Florida)

**Conference purpose:** The International Sunbelt Social Network Conference is the official conference of the International Network for Social Network Analysis (INSNA). It provides an interdisciplinary venue for social scientists, mathematicians, computer scientists, ethnologists, epidemiologists, organizational theorists, and others to present current work in the area of social networks.

**Conference location:** St. Petersburg, Florida (USA)

**Conference dates:** February 18-23, 2014

**Early Registration:** Before December 1, 2013

**Regular Registration:** December 1, 2013 – February 16, 2014

**On-Site / Late Registration:** After February 16, 2014

**Conference Lodging:** Accommodation will be at Trade Winds Island Grand Resort, St. Pete Beach, Florida.

More information about Sunbelt XXXIV is available at: <http://sunbelt2014.org/>

### **SOCNET 2014 - Modeling, Analysis and Management of Social Networks and their Applications**

#### **Organizers:**

Kai Fischbach (University of Bamberg, Germany)

Udo Krieger (University of Bamberg, Germany)

**Workshop purpose:** The workshop will cover all aspects of modeling, analysis, and management of social networks and the applied methodologies arising in social network analysis and theory. It ranges from purely theoretical achievements to practical applications regarding the structural inference, modeling, analysis, simulation, and control, as well as usage of social networks. The workshop is interdisciplinary in nature. We invite contributions from many interdisciplinary fields, including but not restricted to, information systems, computer science, economics, management, sociology, psychology, anthropology, biology and physics in order to fully incorporate the methodological, technical as well economic aspects of social network analysis.

**Workshop location:** Bamberg, Germany

**Workshop date:** March, 19, 2014

**Submissions deadline:** October 20, 2013

**Author's registration deadline:** February 15, 2014

More information is available on SOcNET Workshop website: <http://www.mmb2014.de/index.php/workshops/socnet2014>

### **The 2014 IEEE/ACM International Conference on Advances in Social Network Analysis and Mining**

#### **Organizers**

Binxing Fang, Beijing (University of Posts and Telecommunications)

Yan Jia, National (University of Defence Technology, China)

Jon Rokne, (University of Calgary, Canada)

**Conference purpose:** The IEEE/ACM International Conference on Advances in Social Network Analysis and Mining (ASONAM) provides a premier interdisciplinary forum to bring together researchers and practitioners from all social networking analysis and mining related fields for presentation of original research results, as well as exchange and dissemination of innovative, practical development experiences. ASONAM 2014 seeks to address important challenging problems with a specific focus on the emerging trends and industry needs associated with social networking analysis and mining. The conference solicits experimental and theoretical findings along with their real-world applications. General areas of interest to ASONAM 2014 include the design, analysis and implementation of social networking theory, systems and applications from computer science, mathematics, communications, business administration, sociology, psychology, anthropology, applied linguistics, biology and medicine.

**Conference location:** Beijing, China

**Conference dates:** August 12-16, 2014

**Submission deadline:** April 4, 2014

**Conference lodging:** to be announced

More information is available on IEEE/ACM Conference website: <http://datamining.it.uts.edu.au/conferences/asonam/index.html>

**ICSNAM 2014: International Conference on Social Network Analysis and Mining**

**Conference purpose:** The **2014 International Conference on Social Network Analysis and Mining** aims to bring together leading academic scientists, researchers and scholars to exchange and share their experiences and research results about all aspects of Social Network Analysis and Mining, and discuss the practical challenges encountered and the solutions adopted.

**Submission deadline:** October 31, 2013

**Conference location:** Zurich, Switzerland

**Conference date:** January 14-15, 2014

**Conference Lodging:** Geroldswil Swiss Quality Hotel

**Registration fee:**

Non-Student Oral/Poster Presenter Registration - 500€

Student Oral/Poster Presenter Registration - 400 €

Additional Paper Publication - 100 €

Extra Proceedings Book - 50 €

Listener Registration - 300 €
